I can I will

Here, you will find a complete list of subjects for the Civil Services Examination conducted by the Union Public Service Commission (UPSC). The Civil Services Examination is widely considered as one of the toughest and the most prestigious examinations conducted in India. To understand the exam, one needs to understand the syllabus. This helps eliminate wasteful efforts like reading unnecessary topics leading to a loss of time, and keeps one strictly aligned to the expectations of the UPSC from day one.

The UPSC prescribes a common syllabus pattern for services such as the Indian Administrative Service, Indian Foreign Service, Indian Police Service, Indian Revenue Service (Customs and Central Excise) to name a few. The Civil service exam is conducted in three phases:

Phase 1: Civil Services (Preliminary) Examination (Objective Type)

Phase 2: Civil Services (Mains) Examination (Descriptive Type)

Phase 3: Personal Interview (Personality Test)

## PHASE 1: CIVIL SERVICES (PRELIMINARY) EXAMINATION

The Preliminary Examination is composed of two components:

1) General Studies

2) Civil Services Aptitude Test (CSAT) PAPER SUBJECTS TOTAL MARKS DURATION

1 General Studies (GS) 200 2 hours (9:30 AM to 11:30 AM)

2 CSAT 200 2 hours (2:30 PM to 4:30 PM)

- Broadly, the Civil Services (Preliminary) Examination consists of two papers of objective type, each of 200 marks (hence totalling 400 marks) and of two hours duration. To qualify for the Civil Services Mains, a candidate must attempt and clear both the papers.
- To clear GS-1 Paper candidate must clear the cut-off mark declared by the UPSC and in CSAT paper, the candidate must score at least 33% of 200 i.e. 66 marks.
- Further, the General Studies (GS) paper consists of 100 questions, while the CSAT paper consists of 80 questions. Both papers have negative marks for wrong answers marked to the tune of 1/3rd of the total marks assigned to that question.
- To further illustrate this, each correctly answered GS question will be awarded 2 marks. So, 0.66 marks would be deducted from the total for every question that is wrongly marked.

- Similarly, in the CSAT paper, since we have 80 questions for 200 marks, correctly answered CSAT question would attract 2.5 marks each, while every wrongly marked question would attract a penalty of 0.833 for each such wrong answer, which will be deducted from the total.

- Questions that are not attempted will not attract any negative marks. The two papers of the IAS prelims are discussed in detail below:
